NOTES

Attending the Meeting

1. If you propose to attend the Annual Meeting in person, **you must bring this form to the meeting to assist with your registration**. All shareholders must register with MUFG Pension & Market Services prior to entering the meeting room.

Postal Vote

2. If you propose not to attend the Annual Meeting in person or online, you may vote by postal vote. Your postal vote may be completed online, mailed, hand delivered, or scanned and emailed in accordance with the instructions above. MUFG Pension & Market Services has been authorised by the Board to receive and count postal votes. If you submit a postal vote without indicating on any resolution how you wish to vote, you will be deemed to have abstained from voting on that resolution. If you submit a postal vote section and also appoint a proxy, your postal vote will take priority over your proxy appointment.

Proxy Appointment

3. All shareholders entitled to attend the meeting and vote at the meeting may appoint a proxy or, in the case of a corporate shareholder, a representative to attend and vote instead on your behalf. This form may be completed online, mailed, hand delivered, or scanned and emailed in accordance with the instructions above.
A proxy can be any person of your choice and does not have to be a shareholder of LIC. If you wish you can appoint the Chair of the Meeting as your proxy. The Chair will vote in accordance with your instructions, or, failing your instruction, in accordance with the terms set out in note 4 of this Proxy Form.
4. If you tick the box "discretion" on any resolution, you are directing your proxy or representative to decide how to vote on that resolution on your behalf. If you tick the "abstain" box on any resolution, you are directing your proxy or representative not to vote on that resolution. If you do not tick any boxes or your direction on how the proxy is to vote is unclear (in the Proxy's sole opinion) in respect of a resolution, then the direction is to abstain. However, the Chair (along with all other directors and their "Associated Persons" (as defined in the NZX Listing Rules)) is unable to cast discretionary proxies in favour of Item 2. The Chair will not cast discretionary proxies on Item 7. If you select more than one candidate in Item 7 (Section C) you will be deemed to have abstained from voting.
5. A proxy is not entitled to exercise more than 1% of the maximum number of votes that may be exercised at a meeting of the Company. Accordingly, if the Chair is named as proxy by you and by a number of other shareholders, then they may not be able to cast your votes. Therefore, it is preferable to nominate a proxy from your Region.
6. If you return this Proxy Form without appointing a proxy, the Chair of the meeting will vote in accordance with your express instructions.
7. This Proxy Form must be signed by you or your attorney, duly authorised in writing. In the case of a joint shareholding, this Proxy Form may be signed by any of the joint shareholders (or their duly authorised attorney). In the case of a corporate shareholder, this Proxy Form must be signed by a director or a duly authorised officer acting under the express or implied authority of the corporate shareholder, or an attorney duly authorised by the corporate shareholder.
8. If the Proxy Form is signed under a power of attorney, a certificate of non-revocation must be completed and a copy of the power of attorney provided to MUFG Pension & Market Services, unless it has already been noted by LIC or MUFG Pension & Market Services.

Voting Restrictions

9. There is a 1% voting cap which applies to all LIC shareholders pursuant to the Dairy Industry Restructuring Act 2001 and LIC's constitution. The 1% voting cap is calculated based on the number of votes that may be exercised at this meeting (and so excludes treasury stock and other restricted securities).
10. Any shareholder who holds more than 1% of LIC's Shares on issue will be limited in their ability to vote the equivalent of 1% of the votes cast on the resolution. Where a particular shareholder has multiple holdings across different entities or debtor codes, restrictions will apply to all affected voting securities on a pro-rata basis.
11. Under NZX Listing Rule 6.3.1, the Directors and their Associated Persons are disqualified from voting on Item 2. This extends to a Director who has been appointed with a discretionary proxy. A Director is only entitled to exercise a proxy for this resolution where the shareholder has provided that Director with an express instruction setting out how to exercise that shareholder's vote. For the avoidance of doubt, the Director shall not be entitled to vote on
