

## Steel & Tube FY25 Results Presentation Amendment

Steel & Tube Holdings Limited (NZX: STU) has made minor amends to its FY25 Results Presentation to correct the historical Perry Metal Protection "Normalised EBITDA (pre IFRS)" chart on page 9 of the presentation.

The March 2025 and June 2025 columns were incorrectly shown at \$11m, both columns should have been \$9m.

The third bullet point has also been updated to make it clear the delivered (\$1.7m) and PCP (\$1.4m) EBITDA amounts are post IFRS.
